

CAREER Adventures CAMP GOES *Virtual* And **YOU** Are Invited!

Join us on DML's Facebook page June 15-19 for an inside peak at some of the **coolest careers right here in the Miami Valley!** Each day at noon, we'll show you what it's like to work in Advanced Manufacturing, Healthcare and BioScience, Construction and Skilled Trades, Aerospace, Logistics and IT. You'll **go behind the scenes** to meet professionals who work in these fields, find out why they love their jobs, and learn what path they took to get there. Free, no registration required.

(While this program is geared toward middle schoolers, all ages are welcome to learn and enjoy!)
