

Virtual learning and support 5.3.20

Dixie Families,

I hope that everyone had an opportunity to get outside and enjoy the great weather yesterday.

With just a few weeks left in the school year, it is very important for students to keep working hard and maintain a good school work routine each day. The last day that all 4th quarter school work can be turned in is May 22nd. Be sure to review grades in Powerschool to make sure all work is submitted.

Senior parents, a commencement information e-mail message was sent to all seniors participating in commencement and also to the parent e-mail addresses we have on file earlier today. The message is also posted with this announcement in the Recent Announcements section of the district website.

Meal service will continue with the same schedule as last week. Meal delivery and pick up will begin at 11 am tomorrow. All meals requested for pick up will be available at Dixie Elementary. Requests for the week of May 11th should be made on Thursday or Friday by noon. Please remember that meals must be requested each week so that the proper number of meals can be prepared each week.

Have a great week and stay well.

Sincerely,

Greg Williams
Superintendent, New Lebanon Local Schools
